What do the Friends of Drake Community Library do?

We deal with the details!

Create public support for the library via yearly events such as the annual Book Sale and Festival of Trees.

Raise money to allow critical purchases of equipment, reference materials, and other important library services that might not be provided otherwise.

Provide volunteers to work on specific library tasks, including staffing the book store and handling book donations.

Provide support and impetus for the library during fundraisings and planning efforts.

Past and Present Projects

- Annual Book Sale
- Friends' Store in the Library, selling used books to the public
- Provide funding for the Mango language service, copy machine and fax machine
- Donated over \$50,000 to the library building campaign
- Purchase materials to help expand and protect the library's archival collections
- Produced Grinnell's Voices from the Past: The Depression and World War II Oral History Project
